

### Overnight Adventures

We offer 2 overnight adventures for children entering grades 6 - 8. The overnights begin at Base Camp at 4:00pm and end the next day at 1:00pm. Overnights include a hike or paddle, swimming, and home-cooked food over the fire! Bring your tent, sleeping bag, and good attitude!

#### Overnight #1 July 15th - July 16th

This overnight will be based at the EcoVenture Base Camp. We will do some fun activities Friday evening, then go for a hike Saturday morning.

#### Overnight #2 August 5th - August 6th

This overnight will be based from the new and improved Cupsuptic Campground. Campers will be out on the island site! Paddling will be the focus of this overnight.

The Rangeley Lakes Heritage Trust is proud to offer this program for the children of Rangeley and its summer residents.

The mission of the Heritage Trust is the permanent protection of significant, natural and historic resources of the Rangeley Lakes region for the benefit of the public and enjoyment of future generations.
