Rules of Conduct:

- We have a "2 strikes and you're out" policy. Inappropriate behavior gets forgiven once. The very next occurrence of inappropriate behavior will result in dismissal for the day or the duration of the program. The parent or guardian will be notified and will be asked to pick up the child.
- What is appropriate behavior? Behaving appropriately means always exhibiting respect for oneself, friends, counselors, instructors, volunteers and our environment as well as obeying safety procedures outlined by our staff.
- Any behavior that threatens the safety of a camper or staff may result in immediate dismissal.
- For some activities, to insure safety, we will be using the "Buddy System". Please explain this safety measure to your child(ren) so they are comfortable with the idea.

I have read the above rules of conduct and have discussed these rules and the philosophy of EcoVenture with my Camper(s). We accept these rules and want our Camper(s) to have fun, be safe and respect nature.
